

Help Our Children Learn to Swim

The Union League Boys & Girls Clubs is excited to announce our new **Learn to Swim Program**. We have recently developed an agreement with our local park district (Humboldt Park, located in walking distance of the Barreto Club) to use their pool facility exclusively each week during our summer day camp program. The Union League Boys & Girls Club will hire certified lifeguards and water safety instructors to oversee and implement the program.

The program offers two learn to swim sessions 5 days per week for 45 minutes each. The Beginner Learn to Swim session has a 1:6 instructor ratio. This program will encourage swimmers to become comfortable, confident and safe in the water. It will teach the fundamentals of water safety and promote an overall comfort in the water. The Fun and Learn to Swim session has a 1:10 instructor ratio. This program is open to all ages and skill levels. It will offer a fun, structured environment that fosters continued development of in-water skills and confidence. It will provide age appropriate, structured, in-pool activities and games.

Club member demographics at the Barreto site are: 58% Hispanic, 31% African American, 8% Multi Racial, 1% Asian, 1% Caucasian, 1% Native American, with 57% male and 43% female.

This **Learn to Swim Program** is possible because of the sponsorship of the U.S. Masters Swimming (USMS), Swimming Saves Lives Foundation which has committed support services and a minimum \$2,500 grant. We hope we can count on you to help continue this great opportunity to our Club Members. If you would like to make a contribution, please use the button below to make a donation to our Learn to Swim Program via PayPal. With your help, we can teach our club members to be safe and have fun in water recreationally.

**If you would like to make a financial contribution to the program
or learn more, go to <http://ulbgc.org/learn-to-swim.html> .**

If you prefer to make a donation by check, please download the mail-in donation form at
