The minutes from the April Membership minutes were approved.

Old Business:

-State Meet recap. The results were a little slow in getting posted because of some confusion with the registration of a swimmer. It was recommended that an e-mail blast be sent out to educate swimmers regarding proper registration with ILMSA.

-Work on the Facebook account is going well. They are meeting Tues and Thur evening

-State Meet recap will be taken up at our next meeting. The State Meet committee created a survey which was just sent out

## New Business:

-Warrior week. AJ has suggested this as a fitness event. It is similar to a postal swim. For 14 consecutive days swimmers log their miles. The top three awards in each age group will receive an award. Summer would be a good time to do this event because of the lack of long course meets. Fall may be good time because the number of swimmers tends to drop off in the summer. AJ will look at potential dates in Nov.

-Big Shoulders did apply for a USMS sanction.

-ILMSA membership recognition. We used to recognize members with awards for 10 yr 20 yr etc. Robert may have some awards left Heidi will check.

-Convention. The convention is Sept 22-25 in Atlanta. Applications should be due by end of June.

-Naperville Meet - Inga received an email from Chris H asking where his check for \$25 was. He did receive a check from Art the \$25 is the sanction fee. He is allowed to have a meet he has completed his two year probation.

The meeting was adjourned at 8:11 pm.
