

ILMSA application procedure for Volunteer of the Year Service Award

As a volunteer-driven organization, ILMSA, like its parent organization, USMS, is grateful to the numerous volunteers who give their time, talent, and expertise to help all phases of our programs. Among those volunteers are some whose service stands out in its scope and its impact on the program and the ILMSA members have benefited from their efforts primarily on the local and regional level, in addition to the national level.

Each year one ILMSA person is designated the Volunteer of the Year Service Award winner, from the nominations received by the ILMSA board of directors. The person who embodies this award will have characteristics that include but are not limited to volunteerism, sportsmanship, good character, leadership, supportiveness, inspiration to others, generosity and a passion for the sport of Masters Swimming. Any swimmer registered for the current year with USMS/ILMSA may make a nomination. A past recipient may be nominated, based upon a current year's volunteer service.

To make a nomination, submit a one-page letter addressed to Chair, ILMSA Awards & Recognition, citing the reasons why the person deserves recognition and the award for the current year.

Include:

- The name, club and team affiliation, address, telephone number, e-mail address for the person nominating;
